

## **We wanted to take a few minutes to wish you a Happy New Year.**

You have likely made some New Year's resolutions. We made a few resolutions here at Wabasha Dentistry as well. One of them is to keep you up to date, by communication with you, on a regular basis. There are so many new and interesting things taking place in the world of dentistry that we'd like to share. There have been many advances to make your teeth whiter, straighter and to improve your overall smile. We are excited and we think you will be as well. If an even more beautiful smile is on your list for 2013, we can certainly help you!

Also, if you ever have any questions, never hesitate to call. Our number is 800-862-3511 or 651-565-3511. We are here for you. All of us take great pride in being able to serve you with the best dentistry has to offer and will take care of you in the most comfortable way possible. So you can get the information you need, we offer free consultations.

In closing, our entire team at Wabasha Dentistry wishes you a very happy and healthy 2013. We will talk to you soon.

Sincerely,

Dr. Robert Mann and Dr. Scott Durand and Team.
