

WABASHA DENTISTRY OCTOBER NEWSLETTER

DON'T LOSE YOUR INSURANCE MONEY

As we near the end of 2012, a number of you with dental insurance have not used up the money the insurance company set aside for you this year. Usually that amounts to \$1000 to \$1500 for the year. The insurance company gets to keep the money you do not use. So if there is any needed work or dental care you have postponed, get scheduled now, as the end of the year gets very busy in our office.

FREE HALLOWEEN TREAT BAGS

On Halloween, our office will have a number of free, large, reflective Trick or Treat bags with fun items inside. We will also be passing out blinking lights for those after dark trick or treaters. All kids who would like to have one of these treat bags or blinking lights may stop by our Wabasha Dentistry office, between the hours of 3:30 and 5:30 to pick their's up.

PS. For those of you who have not been downtown Wabasha during the Septoberfest activities, make it a point to check it out. The decorations are awesome and, as you can see by the above photo, Dr Mann is taking it all in!
