WE WISH YOU A VERY MERRY CHRISTMAS

AND A VERY HAPPY NEW YEAR

We want to thank Kellie Quade's 2nd grade class for making the ornaments on our Christmas tree this year. They are awesome and everyone should come by to check them out.

DO YOU HAVE QUESTIONS????

In conversing with our patients over the years, it seems like they all have questions regarding dentistry or oral health. Some people have trouble remembering or asking them, while they are at the office. We would like anyone who has a question to be able to get an answer at any time.

Therefore, if you have a question, you may ask us on our Facebook page or on our website (wabashadentistry.com) or simply e-mail us at info@wabashadentistry.com. We can keep those questions confidential or repeat those questions, without names, so that others with the same questions will get the answer as well.

We look forward to receiving and answering your questions.
